**Thank you for taking the time to complete our questionnaire**

*Although we endeavour to reply to all enquiries, we are not always able due to increased work loads. A complete and detailed questionnaire does help us to ascertain if the dog you are interested in is suitable for you and the dogs needs. However, if for some reason the dog you are particularly interested in is already being vetted for or doesn't match your needs, we may contact you in the future to discuss a dog which seems a better fit for your needs and requirements. Please keep an eye on our website as our dog population changes constantly and let us know if you manage to find your dog through another source. Thank you for your time.*
